

The Front Range Girls Softball Association is pleased to announce our 2<sup>nd</sup> annual Hit-a-thon to raise money for the upcoming 2010-2011 season. The Hit-a-thon also provides an opportunity for each girl to receive intensive hitting instruction and practice to prepare them for the demands of competitive fastpitch softball.

Each girl will take at least 100 extra swings during batting practice on December 4<sup>th</sup>, 2010 and you can help by pledging your monetary support. Your donation will go directly to the fees of the girl of your choice. The fees pay for uniforms, equipment, practice sessions and tournaments for 2010-2011.

Please donate any amount you choose. Anyone who donates \$50 or more will be recognized on the web site of that girl's team. Thank you from all of the Lady Warriors and Colorado Tigers teams for your continued support of our girls and fastpitch softball.
